Dear applicant,

Development Manager (Community & Inequalities)

Thank you for your interest in this role with Active Humber.

In response to your enquiry about the above vacancy, I am pleased to provide the following information:

- Job description and person specification
- Application form, including Equal Opportunities monitoring form
- Information on the application process
- Details of our hybrid working arrangements
- Applicant privacy notice

Our vision for the Humber is that it is a place where everyone, every day is physically active, for themselves, their community and the planet.

As the Active Partnership for the Humber region, our purpose is to help people of all ages and backgrounds to improve their health and wellbeing by taking part in physical activity and sport.

As the Development Manager (Community & Inequalities), you will work closely with the Head of Programmes and Projects and the development team to implement and monitor our strategic aims, with a specific focus on initiatives that support underrepresented communities - particularly LGBTQ+, lower-income, and ethnically diverse groups - to become more physically active. This role is ideal for candidates with experience designing and delivering programmes in physical activity, sport, health, or community development.

I would encourage you to visit our website, which provides a range of information about our organisation, including our vision, values, and purpose.

If you would like an informal discussion about the role, or if you have any questions, please contact me via the email address below. If you would like the application form and job pack in an alternative format, please contact us.

Finally, I look forward to receiving your application.

Yours faithfully

David Gent

The role

Post title:	Development Manager (Community & Inequalities)
Reporting to:	Head of Programmes and Projects
Responsible for:	n/a
Hours:	37 hours per week (full time post)
Contract:	Permanent
Starting salary:	£32,030
Location:	Hybrid working; 1 day per week at Aura Innovation Centre, Hessle/Home working

Hybrid working

Active Humber have adopted a hybrid working model. All of the team work predominately from home. You are required to visit our workspace at the Aura Innovation Centre at least once a week, as we hold our team meeting each Monday.

We will provide the necessary equipment for you to work from home and will discuss what you might require once you have been appointed.

We also recognise that working from home may not suit you, therefore we are able to provide a workspace at the Aura Innovation Centre, if this is your preferred working model.
