Dear Candidate

Active Humber: Support us to encourage people across the Humber to benefit from an active lifestyle

Thank you for your interest in Active Humber.

We currently have a vacancy for a trustee to join our Board and help us create happier, healthier and stronger communities across the Humber. We believe this is an exciting opportunity to make an even greater impact on our work in promoting health and wellbeing through activity.

Active Humber is one of 41 nationwide Active Partnerships, funded by Sport England to support their "Uniting the Movement" strategy, which focuses on encouraging more people to get active in their communities.

Our vision is that the Humber is a place where everyone, every day is physically active. Information about our work and its impact can be found on our website, and we would encourage you to explore the website when considering whether to apply.

Why join our Board of trustees?

As a trustee, you'll play a crucial role in shaping our strategic direction, ensuring that we continue to deliver on our mission. Although this is a voluntary role, it comes with personal and professional benefits:

- **Amplify your impact:** Use your skills and experience to contribute to the strategic decisions that directly influence the success of our programmes.
- **Commitment to the region:** Some communities in our region are less likely to take part in physical activity. As a trustee you will have a direct impact on providing access to the benefits of physical activity.
- **Professional development:** Develop skills in governance, strategy, and organisational oversight, all while supporting our programmes of work.
